ABOUT OUR VISION:

SAYVA teens work together to make a difference in their community through service and advocacy. We have 125 Youth Ambassadors from 8-18 years old living in the DMV area who are making a difference every day through serving, leading community events, building awareness and fundraising for partner organizations.

ABOUT SAYVA

SAYVA is a non-profit organization which brings South Asian youth together through community service. Our mission is to help teens foster a social identity with their culture while bringing families together to help others locally and globally through charitable work. Our activities focus on team building, advocacy, health/wellness and teaching youth about civic responsibility and leadership.

ANNUAL SAYVA SIGNATURE EVENTS ...

*MOCK DIWALI WEDDING

This event is a “Big Fat Bollywood Wedding” with a Garba, Sangeet, Mehndi, and Reception ... all the fun events of a traditional Indian wedding (minus the actual marriage!). The teens have a lot of fun organizing, practicing dances and creating decorations for this fundraiser benefiting Rise Against Hunger. With over two hundred participants, this is one of the most popular SAYVA events of the year. Last year we raised enough funds to make over 16,000 meals for malnourished individuals in third world countries.

*RISE AGAINST HUNGER

Rise Against Hunger is one of SAYVA's flagship events. We have been doing this event since 2011 making anywhere from 10000-16000 meals annually. This is a great event for the community to come together. Stations of rice, protein, and dried vegetables are all organized. Everyone of all ages work together to package these meals which are then delivered worldwide to those in need.

*HOLI

Holi, festival of colors, is one of SAYVA's signature events done usually in April in honor of Earth Day and the Harvest Festival in India. SAYVA teens organize the community for this fun festival where we play picnic games, throw colors and dance to music. Funds raised are used for various causes. In past years, we have raised funds for Ukrainian refugees, collected clothes for repurposing, learned about earth day initiatives, and generally supported timely issues that come up throughout the year.
